

# Benchmark Baptist Fellowship

Dear Brethren in Christ:

I am happy to report September was another month of blessings for the work here in Fredericksburg, VA.

We experienced several additions to Benchmark Baptist Fellowship this past month. Two former members, who are brothers, came and requested their membership be re-instated. We baptized three - a young lady in her early 20s, and an older lady who lives next door to the church building - both had made professions of faith and have been attending regular for quite some time. Lastly, my family rejoiced as I had the privilege to baptize one of my 3 granddaughters, who had made a profession of faith earlier this year. Earlier this month we had a family of 3 who served at our sponsoring Church, move to our area and are now attending services here.

Our attendance increased this month as schools started, and vacation travel has greatly reduced. Our average attendance for September was 39 for Sunday School; 59 for Sunday morning worship; 37 for Sunday evening worship and 40 for Wednesday night Bible study and youth Discovery program.

I want to sincerely thank you for your prayers and faithful support each and every month.

We received offerings in September from the following churches:

In Alphabetical Order:

First Baptist Church of Inwood (Inwood, WV) - designated toward building mortgage	\$300.00
First Baptist Church of Kingstowne - Sponsoring (Kingstowne, VA) - designated toward pastors' housing and salary	\$150.00
